

Life in Your Hand

*Before God formed me within you, He knew me;
He covered me in your womb.*

I praise the Lord

Because I am fearfully and wonderfully made.

My form was not hidden from Him

When I was created in secret, and

Curiously wrought;

Hidden from every eye, but His.

His eyes beheld my substance while I was yet

Incomplete;

And in His book all my members were recorded,

Before they came to be.

My precious life was fashioned by

God's loving hands,

And placed within you to keep.

Now my life is in your hand....
